With more than 50 years of experience, Luxury Backyard Living/TEMO, Inc. stands as the leading manufacturer of sunrooms, pergolas, patio covers, and luxury sheds in the United States. Our mission is to provide quality and innovative outdoor living product to homeowners, contractors, and commercial businesses.

Essential Functions/Responsibilities:

- Install glass and aluminum framing for **sunrooms, solariums, and pergolas**
- Measure, cut, and fit glass panels to precise specifications
- Apply weather seals, caulking, and other materials to ensure structural integrity
- Read and interpret blueprints and installation guidelines
- Operate hand and power tools to secure and assemble materials
- Ensure all installations meet safety and quality standards
- Work efficiently as part of a team to complete projects on schedule

Education and Experience:

- High School or equivalent degree, required.
- 2+ years of experience as a carpenter glazier or in a related trade.
- Proficiency in handling and installing glass and metal materials.
- Ability to read blueprints and technical specifications.
- Experience using hand and power tools relevant to the trade.
- Strong problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.

Physical Demands:

- Work with hands and fingers daily; hand tools, measuring tools, mechanical tools, computer, and tablet.
- Physical ability to lift, carry, and install heavy materials.
- Must be able to lift 40 lbs. without assistance.
- Must be able to stand on feet for the entire duration of work shift.

Work Environment:

- 90% of work will be outside in residential and commercial areas.
